

Dear Illinois/Wisconsin Angus Breeder:

Plans are underway for the 2018 National Junior Angus Show, co-hosted by the Wisconsin and Illinois Angus Associations, July 7-13, 2018. The Theme, “Living the Dream in 2018” will be the 50th NJAS held in Madison Wisconsin at the Alliant Center.

As a breeder in a host state, we ask for your participation in the following ways in support of this year’s show:

1. If you are hosting an online or production sale between now and next July, would you consider adding a lot with proceeds benefitting the NJAS? An example is adding a semen or embryo lot or a non-cattle related item like a quilt in support of the show.
2. If you are hosting a production sale on the farm, would you allow Illinois or Wisconsin juniors to attend and sell tickets for a Raffle they are raising funds for to be drawn at the 2018 show?
3. Would you consider giving a donation to the show to be a class sponsor in the amount of \$200? Or sponsorship at some other level?
4. Would you consider volunteering your time at the show?

If you have interest in any or all of these activities, please get in contact with one of the following individuals:

Alan Miller 217-840-6935 or theresaboian@gmail.com

Rick Mindemann 920-988-5812 or mindemannfarms@gmail.com

Or

Jim Hawthorne, 608-293-0017, or Alicia Miller, 815-263-6057, Adult Chairs of the 2018 show.

Many thanks in advance!

The 2018 NJAS Planning Committee.
